Instructions for Libby, Powered by Overdrive

What is Libby?

Developed by Overdrive, Libby is a free app designed for a more user-friendly experience to make finding and borrowing e-books and audiobooks easier than ever.

Getting Started with Libby in 4 easy steps:

- 1) Download Libby from the App store
- 2) Once downloaded, follow instructions to find Nassau Digital Doorway > Henry Waldinger Memorial Library and sign in using your valid library card barcode
- 3) Tap on Library to browse the digital collection. Click on desired book or audiobook to borrow or place on hold.
- 4) Go to Shelf > Loans to view borrowed books and open in app. Tap "Manage Loan" to see options like Renew and Return.

Need More Help with Libby?

Click on the Libby (girl) icon in the upper right-hand corner. Scroll down to "Help & Support," and click on "Get Some Help" to contact support, suggest an idea, or see troubleshooting options.

Also, feel free to email the library at hwmlcontact@hotmail.com, with any questions you may have. Staff will try to reply within 24 hours.
