NATIONAL LIBRARY WEEK

APRIL 23-29, 2023

There's More to the Story.

Join us in celebrating National Library Week from April 23-29, 2023! **"There's More to the Story"** is this year's theme designated by the American Library Association.

As you know, the library is known for circulating books, but that has changed over the years. We are now circulating different media, including DVDs and Blu-Rays, Launchpads, Books on CD and Playaways, Wonderbooks, and CDs. We are also circulating museum passes to different local venues and attractions. We circulate WiFi hotspots so you can get free internet access when you are away from home or on vacation.

In the upcoming months, the library will begin circulating additional items to our patrons:

- Blood pressure monitors provided by the American Heart Association

- Raspberry Pi minicomputers donated by PiKids

- mBots and other STEM items

Now, the library is available 24/7. Just go to our website:

www.valleystreamlibrary.org

You have access to e-books, e-audiobooks, e-magazines, and videos through the Nassau Digital Doorway using the Libby app.

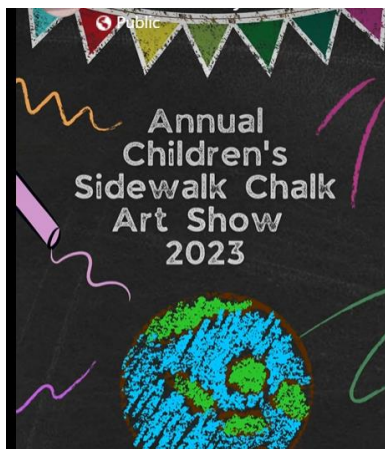

If you need homework help, there are various online databases and services to help you, including Tutor.com or Learning Express.

And, of course, the library offers programs and activities for all ages. Check out our [Eventkeeper](#) calendar by clicking on the Calendar tab on the home page to see what is being offered. Over 40 programs are being offered next month in May 2023, including a variety of programs for children such as Snuggly Stories, Family Bingo Night, Movers & Shakers; programs for teens including Teen Book Club and Teen Mad Gab; and programs for adults including Virtual Computer Classes, virtual book discussion programs, and health programs.

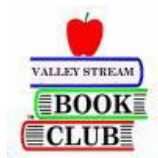

(Continued on next page)

NATIONAL LIBRARY WEEK (Continued)

Special events are planned throughout the year, including our Annual Children's Sidewalk Chalk Show each spring. This event was just held on Saturday, April 22, 2023, and we had many talented children and parents participate this year!

Summer reading clubs are held each year, and the library sponsors winter reading challenges too. And there are book club activities for all ages – Book Buddies (Grades K-2), Chapter Book Chat (Grades 3-6), Teen Book Club (Grades 6-12), and the Valley Stream Book Club of adults.

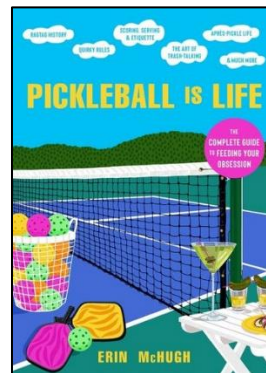

Your library has a lot more to offer besides books, so please check us out. We look forward to seeing you.

FOR PICKLEBALL FANS

Pickleball season resumes in April at the Valley Stream Pickleball Courts, and the library will be hosting a **Book Talk** with Erin McHugh, the author of *Pickleball Is Life*, on Tuesday, May 2, 2023, at 6:30pm. Join us for this in-person program about the pickleball phenomenon!

DONATIONS TO THE LIBRARY

The library would appreciate it if all book donations were placed in the two **Better World Books** bins at the rear of the parking lot to the right of the building. If the bins are full, do not leave the donations outside the bins. **If they get wet, they cannot be used and they end up in the dumpsters!**

Please do not leave donations on the Children's Room Entrance landing. Books left there will be picked up by the Valley Stream Sanitation Department. for each event.

Over the two past years, the library has received commissions from Better World Books totaling **over \$500**, so the books placed in the green bins do benefit the library. So, please continue to make your donations to the Better World Books bins!

COLLEGE JUST AHEAD

Program for High School Juniors: Creating a Compelling College Application

ZOOM Workshop

**Tuesday, May 23, 2023
7:00 pm**

This Zoom presentation will help high school juniors and their parents understand how to use the summer productively to create a compelling college application. It will cover the college application process including current admissions trends, writing the personal statement essay and supplemental essays, teacher recommendations and how students can position themselves to increase their chances for admission.

Ron Feuchs and Jackie Tepper will discuss application strategies including the advantages and disadvantages of early decision, early action and regular decision. They also review what factors students should consider in deciding whether or not to submit their standardized test scores (SAT or ACT) for test-optional colleges and universities.

Feuchs and Tepper examine the holistic admissions review process, what admissions officers consider important when they review applicants, and how students can position themselves to develop a compelling narrative to increase their chances for admission.

They will also discuss the importance of community service, how it can provide an opportunity for personal growth and an opportunity to showcase a student's character. Admissions officers place great emphasis on a student's character and how the student has been able to give back and help others.

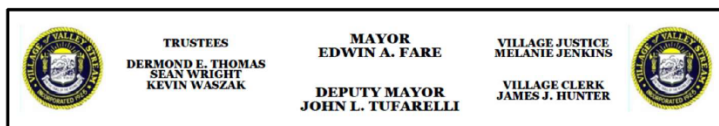

This program is a detailed and strategic overview of what students should focus on to make their college applications compelling.

The presentation will be led by Ron Feuchs and Jackie Tepper,
partners at Stand Out For College, LLC. (www.standoutforcollege.com)

WIFI HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a T-Mobile Franklin T-9 mobile hotspot for a 14-day loan period! The hotspot may be renewed for another 14-day period if there is no waiting list for it.

During the first few days of November, there was a Verizon service disruption in Valley Stream, and the library loaned out several WiFi hotspots to families who would have had no internet access!

This WiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable hotspot can accommodate up to 15 devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a hotspot is not returned on the due date.

T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Some patrons have taken advantage of the WiFi hotspots when they have had disruptions in their Internet service, when they have been on vacation, or when they have travelled to an area where Internet service is spotty. Remember, there is no charge to borrow a hotspot (if you return it on time) for free WiFi access!

Contact Library Director Ms. Eng for further information at hwmlcontact@hotmail.com or 516-825-6422. Depending on availability, you can reserve to borrow a WiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available. (Unfortunately, they cannot be used outside the United States.)
